

Summer Jobs Alliance: A Component of Little Rock's Career Development System

As a business partner, you will be joining with the City of Little Rock, New Futures for Youth, the Arkansas State Chamber of Commerce, the Little Rock Regional Chamber of Commerce, the State of Arkansas, and other community stakeholders to help youth develop the critical skills and experience necessary to be successful members of the workforce.

- ❖ Youth employees are 16- to 21-year-old residents of the City of Little Rock.
- ❖ All types of jobs qualify—indoor, outdoor, office, warehouse, etc.
- ❖ Worksite placement is from June 21 to July 29, 2010.

Invest in the Future

As the baby boomers age out of the workforce, there will be a growing need for young employees with the skills and work habits to be productive partners for economic growth. By supporting Little Rock's Summer Jobs Alliance you can shape our community's future.

Conscious of Your Needs as a Business Partner, We Provide the Support You Want

- Youth complete 20 hours of job readiness training prior to placement.
- Youths' skill set is matched to your business needs.
- The young employees work six 32-hour weeks.
- A program supervisor will stay in close contact with you and the youth to advise and assist if needs arise.
